

**HITS for HEARTS**  
Ron Hogg Memorial Softball Game

Please join the 2014 Centennial Softball Team in their 1<sup>st</sup> annual Hits for Hearts Pledge Campaign and game. - APRIL 25, 2014

Ron Hogg, father of assistant coach Maria Hogg, passed away suddenly due to an undetected heart condition. In his memory, the Varsity softball team will be conducting a Hits for Hearts Pledge Campaign to raise money for heart research. All proceeds will benefit the American Heart Association.

Here's how it works:

1. Complete the pledge form—you do NOT need to submit a check at this time
2. Make your pledge amounts for each type of hit—the amounts are up to you. Here's what we suggest:
  - Single: \$1
  - Double: \$5
  - Triple: \$50
  - HR: \$100
  - Bonus pledge (if your team wins) \$50
3. At the end of the game, we will compile your total pledge amount and mail an invoice to the address you provide.
4. Once you receive your invoice, mail in a check made out to American Heart Association.

The softball game will be held at Centennial High School's Softball Field at 4:00pm. Centennial's address: 4300 Centennial Lane, Ellicott City, MD 21042.

All are welcome to attend the game and make their pledges then!
